If the medical team of the organization is not available anymore, please inform them afterwards. We would like to prevent people going to the hospital unnecessarily and to regulate the number of people visiting the hospital.
- Attention: Restriction on who can go: Rider plus 1 other. If it is necessary to go the hospital, please note that only 1 extra person (per day) can join the injured person due to COVID-19. Sometimes other hospitals have other regulations, so it is always best to check this at the hospital you are heading to.
- Transportation to and from the hospital is your responsibility.

BMX 2000 Dessel accepts no liability for thefts or damage occurring on the site, during the race, in the car parks or on the track campsite.

Please respect the environment and dispose all your waste responsibly.
